

In Memory of My Dear Son Roy who left us 19.2.97

Received from Doreen Jervis and Family, TCF Qld, for Roy's 4th anniversary

When I feel alone
I look into the stars at night
And feel I am in the presence of
Those whom I have loved
And are not with us anymore.
When the breeze touches my face
I feel their wings fanning me with wisdom
And I take comfort in this awareness.
Have faith the one you love is
Now on their special journey.
Take courage and strength
From those around you
And when times seem hard to bear
Look into the stars at night
Feel the gentle breeze and
Take comfort the one you have loved
Is not only in your heart
And in your memories —
But all around you.
