Why did you go so suddenly? So Shockingly?  
Why didn't we KNOW? Couldn't you tell us?  
Why did you go with that person? Why did you get in the car?  
Why didn't you make him slow down?  
Why couldn't you see the danger?  
Why didn't you see the rain?  
Why did the Police have to knock on our door?  
Why you my darling son? Why not me your old mum?  
Why do we have to feel this pain?  
Why couldn't our LOVE help heal your pain?  
Why did they not let me touch you, when I needed to so much?  
Why can't I have just one last special hug?  
Why has the world turned upside down?  
Why was my boy taken?  
Why Oh Why Oh Why Oh Why?
